20th Annual

ECHO NAGPUR 2024

Welcome to the 20th Annual Echo meeting. The ECHO NAGPUR 2024 from 2nd to 4th August 2024 in Hotel Centre Point, Ramdaspath, Nagpur. This is a unique Echo-clinical which aims to focus on case based discussion.

This conference aims to provide a comprehensive approach towards diagnostic, clinical decision-making and management skills in caring for cardiac patients using cardiac imaging and seamless integration of advanced imaging modalities like strain imaging and ECHO in clinical practice. There will be exotic cases, controversies and cases illustrating application of newer guidelines (valvular, pulmonary embolism etc).

This conference will also touch upon the current management principles in the field of heart failure, pulmonary embolism, pulmonary hypertension, newer anticoagulants, pericardial diseases, aortic disorders, and adult congenital heart disease as well as evaluation of cardiac masses and systemic disorders.

We welcome you all to the orange city and tiger capital of India for yet another academic feast ECHO NAGPUR 2024 from 2nd to 4th August 2024 in Hotel Centre Point, Ramdaspath, Nagpur.
